STRATEGIC PLAN 2022-27

PTM Govt College, Perinthalmanna was established in 1975. It is positioned nearly 2 kms away from Perinthalamanna. The College offers UG and PG Programmes in Science, Commerce and Arts streams. As the college is placed in a rural area, it aims to provide quality education for those who are very much in need of a good academic back up. To broaden the space to offer education to a larger group by accommodating more students, the college has determined to form a strategic plan for the coming five years. The main aim is to enhance the amenities of the college as that the entire college community may be benefitted in a big way.

Infrastructure facilities

1. To construct more buildings for academic and administrative use.
2. To set up a garden in the college premise
3. To construct parking facility for the staff
4. To set up more illumination in the campus by tapping solar energy.

5. To construct a multipurpose auditorium.
6. To repair the compound wall.
7. To build an amphitheatre
8. To enhance the availability of water in the campus.
9. To construct hostel for boys.
10. To upgrade all the classrooms to ICT enabled.
11. To set up reading area and reference space in Library.
12. To conduct a feasibility study for Helipad in the campus
13. To construct swimming pool, big enough to conduct state level competitions.
14. To build football turf.
15. To make campus more friendly for the differently abled.

Academic growth

1. To promote Chemistry to PG department.
2. To upgrade PG departments to Research departments.
3. To apply for more UG and PG Programs.
4. To conduct coaching classes for UGC NET/ JRF/Civil Services, JAM etc.
5. To organize Certificate/Add on/Bridge Courses.
6. To conduct International and National Seminars and Conferences.
8. To schedule activities, those are socially committed, around the Campus.
9. To sign MOUs with various institutions, keeping in mind the academic benefits of the college community.
10. To procure more equipment for Physics and Chemistry and increase the lab facility.

11. To set up language lab.
12. Incorporating ABC, Skill Development and OBE in the curriculum as per NEP
13. Integration of Indian knowledge system.
14. Introducing interdisciplinary and multidisciplinary courses.

Co-curricular growth

1. To build a separate block for Gymnasium
2. To construct an indoor stadium.
3. To organize Arts & Sports fest every year.
4. To construct badminton court.
5. To ensure participation of the students in zonal and inter zonal Sports and Arts Fests.
